

Liesegang

portable 2500

Portable solution for the mobile user – ready for use within a few seconds:
Liesegang overhead portables. With Liesegang's fold up system the projector needs very little space and is easy to set up.

portable 2500

portable 2500

- High-end lens
- Quick lamp changer
- Extremely low work top due to design with reflection system, therefore no line-of-sight obstruction for the presenter

Liesegang portable 2500

Vario-focus-lens f = 11.02 - 12.60 in. (280 - 320 mm)
